

2023/2024 Parent Handbook

Victory Preparatory School of Kaufman County

Philosophy of Education

It is the belief of Victory Church and Victory Prep that the school is an extension of the Christian home. Rearing children is the God-ordained responsibility of the parents; therefore, the relationship between the parents and the school must be complementary. Each must provide nurture, training, and guidance to expand the child's mind and spirit through instruction from a God-centered perspective. The goal of Christian education at Victory Prep is to impart a Biblical worldview. Instruction in God's Word, **the only infallible source of truth**, provides an integrated worldview to all school learning and indoctrinates a God-centered belief system in every aspect of life.

Victory Prep provides an environment that encourages the development of Christ-like attitudes, habits, and character. Biblical instruction encourages growth toward spiritual maturity, strengthens a relationship with God through faith in Christ, and leads to an awareness of **God's special purpose for each child's life**. Victory Prep also encourages children to maintain a wholesome balance in intellectual and artistic pursuits and to sustain an expectation of academic achievement.

Victory Preparatory School of Kaufman County strives to prepare students to live successful Godly lives in an ungodly world. Victory Prep's staff desires to assist parents in fulfilling their God-given commission by teaching the children entrusted to the school that:

- **Each is made in God's own image and is unique in personality.**
- **Each is endowed with special gifts that can be developed.**
- **Each can achieve, with excellence, God's purpose in their life.**

Victory Prep influences children to be learners for life by striving for excellence in every academic undertaking. Excellence comes as the child embraces the processes of mathematics, reading, and research; mastering the skills of written and oral communication and achieves success in organization and independent study.

Biblical Worldview

The education Victory Prep provides, as well as its policies and procedures, is rooted in a Biblical, Christian worldview.

Educational Excellence

God commands us to pursue excellence in everything we do. We are committed to training our students to apply themselves wholeheartedly to the academic program set for them at Victory Prep.

Biting Policy

Biting is unfortunately not unexpected behavior for toddlers. Some children and many toddlers communicate through this behavior. Common reasons for biting are: exploration, teething, frustration (lack of language), anxiety, mimicking, need of autonomy control. However, biting can be harmful to other children and to staff. This biting policy has been developed with both of these ideas in mind. As a school, we understand that biting, unfortunately, is a part of an early educational setting. Our goal is to help identify what is causing the biting and resolve these issues. If the issue cannot be resolved, this policy serves to protect the children that are bitten. If a biting incident occurs, state regulations require that the parent of the child biting and the parent of the child who was bitten be contacted. Names of the children are not shared with either parent.

When Biting Does Occur:

Our staff strongly disapproves of biting. The staff's job is to keep the children safe and help a child that bites learn different, more appropriate behavior. We do not use techniques to alarm, hurt, or frighten a child. Victory

For the child that was bitten:

1. First aid is given to the bite. It is cleaned with soap and water. If the skin is broken, the bite is covered with a bandage.
2. Parents are notified by phone if the bite has broken skin or occurs on the face.
3. The "Incident /Accident" form is filled out documenting the incident.

For the child that bit:

1. The teacher will firmly tell the child not to bit their friends.
2. The child will be placed in time out for no longer than the child's age (one year old, one minute).
3. The parents are notified.
4. The "Incident/Accident" form is filled out documenting the incident.

When Biting Continues:

VICTORY PREPARATORY

1. The child will be shadowed to help prevent any biting incidents.
2. The child will be observed by the classroom staff to determine what is causing the child to bite (teething, communication, frustration, etc.)
3. The child will be given positive attention and approval for positive behavior.

When biting becomes excessive:

1. If a child bites in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, both parents will be notified, a conference will be held with the parents of the biter to discuss the child's behavior and how the behavior may be modified.
2. If the child continues to bite in which the skin of another child or staff member is broken or bruised or the bite leaves a significant mark, the child will be suspended for 2 school days.
3. For children who continue to bite, more specific intervention will be initiated, including a conference with the family and creation of an intervention plan. Each case will be assessed on an individual basis and if necessary the student will be unenrolled.

Lost and Found

All lost and found items will be in the school office. Lost and Found will be regularly cleaned out and any items left will be donated. Please try to check in the office if your child is missing items.

Outdoor play

In maintaining compliance with minimum standards for the state of Texas, students will have no less than one half hour of outdoor play in the morning and one half hour in the afternoon, weather permitting. On inclement weather days, students will engage in physical activities inside the classroom or on the indoor playground as a substitute for outdoor play.

Transportation

The school does not provide transportation for children.

School Closings

If severe weather conditions make travel hazardous, school may be postponed, closed early or canceled. Victory Prep will inform parents of school closings through parent messaging system, Facebook, etc.

Communication

Open communication is imperative for the students, families and Victory Prep. We want to have a solid foundation in our relationships with our student and families.

We strive to have friendly yet professional relationships with all families at Victory Prep.

Changes in Child's Information

As part of the admissions process, all parents/legal guardians are required to furnish information about their child and others who are authorized to make decisions. Please notify the office, **in writing**, of any changes that may occur during the school year. These changes include but no limited to: marital status, address, cell, phone or home numbers, email, employer, contact names, child's living arrangements, and child's health including newly administered immunizations, speech/hearing test results, professional evaluation results/recommendations, allergies, and authorized persons allowed to pick up your child.

Custody

The school will require a copy of any court mandated custody agreement in the event custody for a child's parent or legal guardian is modified or restricted.

Open Door Policy

VICTORY PREPARATORY

Open communication between staff members and parents is essential. If, at any time, questions or concerns arise, we urge parents to bring these to the attention of the classroom teacher or the administrative staff. Informal conferences or conversations are encouraged and may also be scheduled with teachers or school leaders at any time throughout the year. Victory Prep is an “open door”.

Teacher Notes

If at any time you wish to have a conference with your child’s teacher, please email the director, victoryprep@victorychurch.ch, or write the child’s teacher a note and send it with them in their folder. Please do not try to have a conference with the teacher during drop off or pick up. This keeps the teacher from focusing on her class and can be a safety concern.

Calendar

Victory Prep 2023/2024 school calendar is posted on our website: www.victorychurch.ch

We encourage our parents to visit Victory Church’s web site for Victory Prep frequently to remain aware of upcoming events, closings for holidays and announcements. The calendar will be placed in each child’s folder. Extra copies of the calendar will be in the office.

There is a parent bulletin board in Victory Prep front office, with required postings mandated by state license as well as other helpful information such as the school snack, variety of safety tips or a list of employees.

Child Abuse/Neglect

Child abuse and neglect is against the law in Texas and so is the failure to report it. Abuse is defined as mental, emotional, physical or sexual injury to a child or failure to prevent such an injury to a child.

Victory Prep policy is all faculty, administrators and staff share the responsibility of preventing and reporting of suspected child abuse and sexual molestation.

The school will comply with the provisions of the laws of the State of Texas and the guidelines established by the Texas Department of Family and Protective Services. **All employees receive annual training in Child Abuse and Neglect.**

What is Child Abuse?

- Child abuse consists of any act of commission or omission that endangers or impairs a child's physical or emotional health and development.
- Child abuse includes any damage done to a child which cannot be reasonably explained, which is often represented by an injury or series of injuries appearing to be non-accidental in nature.

Child Abuse Prevention Guidelines

- Never discipline when you are angry
- Get to know your child's friends
- Never leave a child unattended
- Be aware of changes in a child's behavior or attitude
- Listen to them and believe what they say
- Be alert for any talk that reveals premature sexual understanding
- Teach a child correct name of body parts
- Ask questions

The Texas Family Code requires reports of suspected child abuse or neglect to Family Protective Services (FPS). A person who suspects that a child may have been abused or neglected, and fails to report it within 48 hours, has committed a punishable offense. If you suspect child abuse or neglect, or if you have questions about whether the concerns you have constitutes abuse or neglect, call the 24-hour toll-free Abuse/Neglect Hotline at 1-800-252-5400. Victory Prep abides by these requirements.

Gang Free Zone

“Under the Texas Penal Code, any area within 1000 feet of a child-care center is a gang free zone, where criminal offenses related to organized criminal activity are subject to harsher penalty”.

Behavior Management:

Underlying Principles

- We respect ourselves and other people
- We are careful with our own work and our friends’ work and belongings
- We keep our surroundings and ourselves clean

By setting appropriate and consistent limits to behavior, we provide a secure environment in which children can explore their physical and social world.

Discipline is instructive when:

- It supports self-esteem and allows children to feel capable, competent and pleasant with others
- It takes into account a child’s developmental level of understanding and ability
- It changes a children’s behavioral needs (there is change and growth)
- It acknowledges caring, cooperative, desirable behavior

VICTORY PREPARATORY

- It guides, gives simple explanations, and offers alternatives so that a child can make choices. In time, this will aid the making of appropriate choices
- It is consistent
- It is based on self-discipline and self-control

Setting limits helps children to:

- Feel secure and orient themselves in the world
- Find appropriate expressions for feelings that are hard to control
- Initiates the joy of lifelong learning

Prevention:

- Knowing the children: this helps to tailor discipline instructions for each child
- Prepared environment: this helps to facilitate freedom of movement
- Awareness of transition time: teachers help children move from one activity to another without disruption
- Modeling good behavior
- _____

If prevention does not work

- Try first to distract or defuse the situation, giving children a release
- Use “do’s” (rather than don’ts”) and give brief explanations
- Respond in a calm but firm manner, indicating what is expected from the child and what choices the child has
- Help the child to realize the consequences of his or her actions
- Follow through with consequences
